2003 Long Term Ecological Research Network All Scientists Meeting

Welcome LTER Scientist:

The LTER 2003 All Scientists Meeting was held at the Renaissance Seattle Hotel in Seattle, WA from September 18-21 in association with the meeting of the Estuarine Research Federation. This meeting was open to all. For information on the timing of all major events please refer to the [agenda](#). For a list of working groups for the 2003 All Scientists meeting please refer to the [workshops](#) section.

Details of the Estuarine Research Federation Annual Meeting are available at their web site : <http://www.erf.org/>. The ERF's meeting began on September 14 followed by a joint ERF/LTER session on Thursday, September 18. There was a joint mixer for the two groups all day Thursday, and the ASM continued on Friday, Saturday, and Sunday.

Program - Final details of the program were addressed by the ASM [Program Committee](#).

Questions or Comments

- If you have any questions please visit the [Frequently Asked Questions](#) section.
- If you still have questions or would like to make any comments please contact the [LTER Network Office](#).
